## SKILLS

python

Javascript

C+

Mysql

Html

R programming

Ms word

Data Science

Machine Learning

Data Analysis & Visualization

## CERTIFICATES

### Microsoft azure Ai 900

Topics covered : machine learning(ML) and Artificial intelligence(AI)

### Data visualisation using Tableau

the basics of data visualisation using Tableau software is taught

## LANGUAGES

### English

Full Professional Proficiency

### Tamil

Native or Bilingual Proficiency

## INTERESTS

Data science

Machine learning

Photoshop

Travel
